Limited Warranty

E&E Enterprises Global, Inc. warrants all of its products to be free from defects in the workmanship or materials for a period of one year, (two years within the European Union) from the date of purchase by the consumer according to applicable GSA, commercial, Federal, State and Local laws. An original invoice is required as proof of the purchase date. If, at any time during the warranty period, the product has a defect in workmanship or material, E&E Enterprises Global, Inc. shall replace or repair it (at E&E Enterprises Global, Inc. option) within 30 to 45 days ARO.

This warranty does not cover defects or malfunctions caused as a result of software transfers, misuse, abusive operation, tampering, negligence, improper use, insufficient care or any act beyond the control of E&E Enterprises Global, Inc as determined by E&E Enterprises Global, Inc. The opinion of E&E Enterprises Global, Inc. with respect to this matter shall be final.

WARNING:

When you buy equipment or services from us, your equipment will be sent to you with the latest software and firmware available at the time when the unit was manufactured. Upgrades of firmware or software may be necessary at certain times in the future in order to ensure continued proper operation of your equipment or software. E&E Enterprises Global, Inc. does not support third-party software, and if used, it will void the manufacturer's warranty.

Please note that certain equipment software is incompatible across various models. If you upload the wrong software and create a problem with the equipment, this will not only void your warranty but may make your equipment inoperable. File transfer errors as a result of unauthorized third-party software or firmware are entirely the user's responsibility and E&E Enterprises Global, Inc. is not responsible for any problems that may result.

To avoid invalidating your warranty as a result of transferring software to your equipment, contact your GSA schedule contractor to have a factory-trained technician upload software or firmware to your equipment. Only official software and upgrades available from the E&E Enterprises Global, Inc. can be used with your equipment. Under no circumstances, should any other software be used with the E&E Enterprises Global, Inc. equipment.
